## the bank apartments

location corner city road & clarke streets, south melbourne

value \$100 million

status construction

The bank apartments achieve a 6 star first rate energy rating fully exploiting the north facing triangular corner site.

This distinctive innovative design affords a northerly aspect and city views for the majority of apartments. This elegant contemporary building comprises 360 apartments, retail tenancies, refurbished 2 storey heritage bank building, car and bicycle parking, swim pool and amenities.
