cadbury

location st kilda, melbourne

value \$800,000

status completed

The Cadbury Schweppes project involved eight floors of refurbishment and interior design, including specialised fit-outs for video-conferencing rooms, boardroom and kitchens.

The new foyer design features stainless steel fittings and madrona burl timber panelling. The polished granite floor's centrepiece is a circular mosaic that presents a pictorial allegory of the world, while a fountain of gaseous bubbles alludes to Cadbury Schweppes' origins as a soda water manufacturer in 19th century England.
